the engineer's choice

Experience *GreenIntelligence*

ebm-papst@ISH 2021

Join us digitally at the ISH digital and experience our world of intelligent, sustainable ventilation, heating and drive technology.

The wait is over: From March 22 to 26, 2021, the ISH allows sanitary, heating and air-conditioning experts from all over the world to come together and share ideas – this year in digital form. We here at ebm-papst are looking forward to network with you, discuss current topics and trends and to present our latest ideas and products. You are very welcome to join us!

The best of our specialists have prepared a number of exciting presentations on the following topics:

- **Heat pump business @ ebm-papst: News and trends from a world of fans**
Tuesday, 03/23/2021, 12:30 pm, Speaker: Marcel Rössler
- **Shape the future with ebm-papst: Megatrends in heating technology**
Tuesday, 03/23/2021, 12:00 pm, Speaker: Markus Weingart
- **Building Connect: Building optimization for everyone**
Wednesday, 03/24/2021, 12:30 pm, Speaker: Waldemar Wagner

All further information on the presentations can be found in the ISH digital event agenda.

In addition to this, we have developed a **Product Hall** just for the ISH where you will also find interactive product applications, exclusive content, the opportunity to share your ideas with our experts and yet another expert presentation on "Residential ventilation – redefined". Make sure you do not miss out on it!

Join us at the ISH and find out how we at ebm-papst cooperate with you to find intelligent solutions which sustainably reduce your costs, save energy and reduce emissions. Completely in keeping with our GreenIntelligence philosophy which combines economic thinking, intelligent ideas and sustainable solutions.

Let us get together at the digital ISH to share our ideas in surprisingly new ways of communicating and interacting with each other.

To do so, simply [register here](#) and claim your free ISH ticket.

Hope to welcome you to ebm-papst at the digital ISH!
